

"Family, Friends & Community coming together as ONE, Serving the Entire Smithtown Community"

Dear Community Business,

The Smithtown Children's Foundation was originally formed in 2008 to help a local kindergartner diagnosed with Neuroblastoma. As we pooled our resources, we realized that we were building something to help the entire community. Even though Kaylee has since passed away, her courage inspired us to help others in crisis. We have assisted families paying medical bills, overdue mortgages & other household bills, bought medical equipment, sent children to camp/preschool, and even purchased cars for a single mom forced into a shelter and an emancipated minor. No one wants to be the family requiring our assistance. Unfortunately, this cannot always be helped & when we do help, these families appreciate the care & consideration afforded them by the foundation & the community. The Smithtown Children's Foundation is a 501(c)(3) organization and we are 100% volunteer.

We hold several signature fundraisers throughout the year which allow us to be an immediate resource to families in need including the Friends Fore the Smithtown Community Golf Outing, the Holiday Breakfast/Boutique hosted by Maureen's Kitchen, and the Kisses for Kaylee Memorial Dinner/Dance. You can visit our website at [www.smithtownchildrensfoundation.com](http://www.smithtownchildrensfoundation.com) or our FB page for more info/photos of these and other exciting events.

We have ambassadors from the schools within the district who keep their school informed of who we are helping, how we are helping, & what businesses are supporting our efforts to accomplish these goals. **This is your opportunity to be a resource for your community and to have an immediate impact on the people who support your business. Take a look at the various sponsorship levels on the back and see if you can find it in your heart to help us make our community one that others will want to emulate.**

We manage \$12,000 in college scholarships for graduating seniors from both SHSs East/West all in memory of loved ones lost. We fund a Biggest Heart Scholarship for a student athlete as well as a teacher grant for a worthy classroom project that cannot be funded any other way.

As the word spread of our mission, we had student clubs such as DECA, various Honor Societies, the Smithtown Industry Association Board & the Smithtown Teacher Association fundraise for us. We've had local businesses & community groups help us, groups such as the Smithtown Youth Bureau, the Sunrise Rotary, and the Elks Lodge & we even work with other charities raising awareness of their worthy missions, such as End Drowning Now, Kings Park in the kNOW, & Reespechtlife. Most exciting of all, we now have chapters so that we can branch out to assist even more people! We have Tristin's Wish, Smiles4S3an, Silent Night & now we are starting a chapter in another town! Won't you consider joining these and other friends of the foundation such as Mercedes Benz of Smithtown, Maureen's Kitchen, Bethpage Federal Credit Union, Titan Motor Group, Tower Flowers, The Rinx Hidden Pond Day Camp, and many others as supporters? We would like to thank you in advance for helping us serve the community who supports your businesses.

Respectfully,

*Christina C. Alcure, Ph.D, Christine Fitzgerald and Krissy Lonetto*
