School: _____

Grade or Subject: _____

School Club: _____

In 2013, we begin awarding a \$500 teacher's grant. We are proud to be able to offer it to our teachers who are developing our young minds!

Please write a short passage on why you should receive this grant. This grant should be your last resort, as you've exhausted all other ways of funding it before applying to us. Please tell us how will this grant help your school, Grade, Class, Subject that you teach or club that you spearhead. How will you utilize the grant, & maximize our funding. Is it a one-time project or will you continue on year after year with what you have started? If ongoing, how will you continue to fund this project? If this is a one-time project, please explain why it is a one-time project. For example, our first grant recipient purchased exercise balls to use in class instead of chairs. This helped those students that needed to release some nervous energy throughout the day, and to do so without distracting the class.

Please note this form is due NO later than February 24, 2020. We will not be able to accept forms after that date. The recipient must be able to attend (as our guest) & receive the grant at our Luck of the Irish Casino Night at the Watermill, scheduled for March 12, 2020. You will be notified via email by March 1, 2020 if you are our grant recipient. Please email this application and passage to: fitzybbcf@optonline.net
