

In 2014, the Albanese family had the wonderful idea to fund and award two graduating seniors from SHW a community service scholarship based solely upon their efforts to be better citizens of their school and community regardless of their grade or prowess on the field/court. The Smithtown Children's Foundation would like to continue this scholarship awarding 1 student from each high school, beginning with this year's graduating class.

While the limelight often shines on the star athlete, the student with the 4.0 GPA, the student who belongs to the most clubs or the most honor societies, or even the student who raises the most money for a particular charity, we are NOT looking for that student. We are looking to award the athlete who achieves success in less public ways. We are looking for the student with the biggest heart, who is genuine, who helps others simply because it is the right thing to do, not for the recognition it may afford them. We are looking for the student who works diligently, and selflessly for others, where the only gratification is in knowing that they have made a difference in someone else's life.

If you feel that you know a student who meets these criteria, please fill out the form below and return or email this to Janet. If you have any questions you can contact Christine Fitzgerald (fitzyBBCF@optonline.net)

Student/Athlete Name: _____

Sport: _____

Nominating Coach: _____

Include a paragraph why this student qualifies for this scholarship.
